

TYLER HARDY

EXPERIENCE/ Work History

GRAPHIC DESIGNER, 208 RIDERS,
 MAY 3 , 2018 - CURRENT.

I am the sole designer for the 208 riders company, I am in charge of creating designs, making sure designs are cost efficient, gathering ideas from the members and making designs based off those ideas, as a company that has only been around for two years now I've also been in charge of finding cost efficient companies to screen print embroider and die cut the designs I create.

CAPTAIN, LAKE CDA CRUISES
 APRIL 23,2015 - CURRENT

I am trusted to run a 5-person crew on a 60-100ton vessel that could carry up to 100-300 passengers depending on which vessel I was operating on a given day. Key responsibilities included running a crew, keeping passengers safe and happy all while safely operating a vessel.

HOW IS MY JOB, AS A CAPTAIN RELEVANT?

Time management – The crew has an hour and a half before each cruise to set up, and I am tasked with making sure set-up deadlines are met, no matter how large the task. This carry's into the design world, as there are tight deadlines and i know how to manage my time to meet deadlines

Organization- I have to have clear plans and execution in delegating tasks, this allows me to decrease the time it would take to complete set up and clean up tasks. As well as maintain guest's satisfaction with a clear plan. Being organized is a huge asset in the design and work world. I Keep my thoughts and plans well organized for efficient work productivity. I carry this into naming convention and document setup in the design world.

Communication- I cannot guide my crew in the right direction and complete the tasks that need to be completed if I do not communicate to my crew, what needs completed, who is assigned to which task and how we will complete such task. this experience makes me more comfortable socialising with co workers and customers and makes me feel confident when asking questions

VOLUNTEER EXPERIENCE OR LEADERSHIP

Co-hosted multiple unpaid events where we averaged a profit of 10,000 dollars that we turned around and donated directly to non-profit organizations. With my help 208 Riders has donated over 25,000 dollars to nonprofit organizations such as the Kootenai Humane Society and the Temple of Sravasti Abbey by selling shirts and holding events based off our designs.

Away from design related volunteer work I've also donated 5 seasons to several wrestling clubs, little cougars wrestling club, Homedale Wrestling club, and the lake city high school wrestling team as a coach and mentor to young wrestlers.

My leadership experience is shown in my work ethic, my quick promotion to Cruise Boat Captain at work. As well as my high school awards such as; most outstanding freshman, bob Stancliff courage award, most outstanding wrestler, and making it on the Cardinal Honor Roll as a student athlete at North Idaho College, amongst other awards have directly reflected my work ethic, which is why I would consider myself a leader.
